

Student Informational Release

Throughout your child's academic career, he or she will participate in a variety of events or activities. In the course of these events, your child may be photographed by district office, school personnel, and/or local news media. An employee of the school or district office will be present whenever your child is photographed or interviewed.

Information about your child may appear in newspaper articles, on television, in radio broadcasts, on displays, and in reports to our funders on the a World Wide Web (WWW)—a part of the Internet, or in district, school, or funder promotional pieces (school annuals, brochures, flyers, newsletters, programs for sports or cultural events, television shows, videotape, etc.)

We are asking for your permission to allow us to publish pictures of your student in future informational/promotional publication(s). If you are comfortable with pictures of your child being released, please indicate that by completing and returning this form.
